Notes on the Updates

Citation recount: Updates were made to citation aggregation that changed one or more of the performance metrics.

Did not appear: No data was published for the journal in the initial release of the JCR. Processing or publication anomalies were corrected.

Immediacy Index: Only Immediacy Index was affected; no other metrics were changed.

Item recount: Updates were made to count of citable items that affected one or more of the journal performance metrics.

Missing issues received after JCR publication: Year 2006 and/or 2007 issues of the journal had not been received prior to JCR extraction, preventing the calculation of an accurate Journal Impact Factor. Publisher supplied the required content.

5 year Impact Factor: 5 year Impact Factor now available.
